Newsletter

February 2005

From the President

Dear Brothers & Sisters,

Our annual hockey tournament is this Saturday, February 19th. We will be raising money for *Coaches vs. Cancer*, a great cause that I'm sure all of us can relate to. We will be back at the Syracuse War Memorial, where we've enjoyed the games in years past.

Please bring your families to the event, enjoy some drinks and snacks and help contribute to a worthy cause. After our game, you can stay and watch our very own Syracuse Crunch play in the evening. Tickets for the Syracuse Crunch game are \$10 per person and are available now at the union office.

I look forward to seeing you at the game.

Fraternally,

Don Morgan

President

America's Greatest Heart Run & Walk

This year our local union, along with others in the Utica area, will participate in the 31st America's Greatest Heart Run & Walk on Saturday, March 5th. We will be participating in the 5 mile walk. The CNY Labor Council has arranged with the events committee to have all the participating unions grouped together. We will be walking along with other local unions carrying our banners. This event is televised and will be a great way to show that organized labor is alive and well in the Mohawk Valley. There are numerous awards given out in the union category that we could possibly win with a large turnout. If you and your family would like to participate, please call the office for your application and pledge form. You then need to sign up sponsors for your walk. All proceeds go directly to the American Heart Association. Please help us make Local 43 one of the largest union groups in this great event.

IBEW Founders' Scholarship

The IBEW Founders' Scholarships honor the dedicated wiremen and linemen who, on November 28, 1891, organized the International Brotherhood of Electrical Workers. The officers of the IBEW are pleased to offer its working members scholarships annually on a competitive basis. It is hoped that the awards will not only contribute to the personal development of our members but also steward the electrical industry that our founders envisioned.

This award is for \$200 per semester credit hour at any accredited college or university toward an initial bachelor's degree in an approved field. The maximum distribution is \$24,000 over a period not to exceed eight years.

The IBEW Founders' Scholarship is for IBEW members who have been in continuous good standing for the four years preceding May 1 or the scholarship year. If a member has been on honorary withdrawal at any time during the aforementioned period, he/she will not be eligible to participate. The IBEW Founders' Scholarship is not for the spouses or children of IBEW members.

Any member wishing to apply for this scholarship can access the online application at: <http://www.ibew.org/FoundersScholarship.pdf> or contact the union office to receive a copy by mail.

- A 2005 high school graduate.
- A parent or guardian who is a member of a union affiliated with the New York State AFL-CIO.
- Accepted in a course of study in *labor relations* or a *labor related interest* such as history, economics, law, political science, sociology or journalism at an accredited institution of higher education in New York State.

- A letter of recommendation by a teacher/counselor from the applicant's school.
- An official transcript and SAT scores.
- An essay of 400 - 500 words on the topic:

"A VOICE FOR WORKERS AND THEIR FAMILIES"

Today's unions are a voice for working families in their communities and in government and politics. In addition, they defend the right of workers to associate at the workplace and participate in decisions that affect their lives and livelihoods.

In your essay, identify both a broad social issue and a workplace issue of major concern to today's workers and their unions. In each case, describe the position advanced by organized labor and give your reaction to that position. Also, suggest a social or economic policy that you think the New York State AFL-CIO should adopt as part of its program to improve the lives of working families.

Applications are available online at: http://www.nysaflcio.org/documents/scholarship_application_2005.pdf or you can contact the union office for a copy.

**Finalists will be selected and interviewed.
The winner will be selected and all finalists notified of the decision in June.**
