

Election Day, November 7, 2006

November 1, 2006

Brothers & Sisters,

Our political action committee (PAC) has put together the endorsements for our jurisdiction. These endorsements are people who we feel will be good for labor and jobs in our area for the future.

These candidates have all asked us for our endorsement. If a candidate didn't ask, we couldn't respond.

Please exercise your rights and get out and vote on **November 7th**. Your future may depend on it.
