First years Food Drive

The Harvest Season is an important and beautiful time in CNY. For many of the IBEW constituents it is a time for appreciating good food and family around the hearth. While we take time to appreciate the season that we are so proud of, the first year apprentices would also like to remind our brothers and sisters that many are not so fortunate. It is with seasonal blessings that we are co-hosting a canned food drive with the United Way the entire month of November. Please help make this charity cause a success by donating your non-perishables to the boxes set up throughout November in the JATC Training Center or the Union Office. Alternatively, donations will be accepted at the December union meeting.
