## Frank Kite Memorial Golf Tournament

Thank you to all the participants and sponsors of the 14th Annual Frank Kite Memorial Golf Tournament. On behalf of the students who will benefit from your participation, thank you so very much for taking part in the event. Thanks to you, the tournament was a great success! Your generosity will again allow Local 43 to award scholarships to two students from Chittenango High School and one student from Hamilton High School in memory of Austin Joerger. A scholarship is a priceless gift. There can be no value placed on providing an individual the means to achieve a goal and create a better life for themselves and their families.
