General Agenda

From the desk of the Business Manager

Brothers & Sisters:

I hope you and your families had a safe, restful and happy Labor Day! Each and every year, Labor Day is a time for reflection. Every day, but especially on Labor Day, we need to take time to remember all the men and women of the labor movement who risked their jobs and their lives. Through their efforts we can now enjoy the weekends off, a 40 hour work week, and secure wages and benefits that all working families deserve. These benefits should never be taken for granted.

Thank you for all you do every day! I hope you all enjoyed a well deserved day off!

Fraternally,

Alan Marzullo
