IBEW Local 43 Political Endorsements - Election Day is Tuesday, November 6th, 2018

Brothers and Sisters: It's that time of year again for us, as union members, to step up to the plate and exercise our right to vote. Since the beginning of the IBEW in 1891, our most powerful tools, local unions and our voices, have been essential to raise the standard of living for all of us. Our members have volunteered to stand up for what is right, participating in phone banks, canvasses and rallies to support candidates that will support unions. Our local union efforts benefit those nearest to us, but ultimately help to make a positive impact on the rights of workers everywhere.

Thank you for your participation in the IBEW's political action program. It is essential to our growth and our future. With our very way of life under attack, we need every member's support to win the fight for the working men and women of the IBEW. **"We can make a difference!"**

Your Local union officers, along with the Central & Northern NY Building and Construction Trades Council, the Mohawk Valley & Central New York AFL-CIO Labor Council, have screened and recommend to you these candidates who are in favor of our issues.

Please exercise your rights. Vote November 6th, 2018. Thank you, Alan Marzullo - Business Manager
