Bylaw Changes Review

**From the desk of the Business Manager**

Brothers & Sisters -

If you haven’t heard by now, we had two of our members get electrically shocked and sustained severe burns to their face and hands while working on a jobsite.

Please remember the job you do every day is extremely dangerous, and we should not be working on LIVE circuits! As a result of this accident, I am asking NECA and our signatory contractors to stop and take a moment on their jobsites to discuss how important it is to not work on LIVE wiring. I am also asking our Training Director to have the conversation with all our apprentices, construction wiremen & construction electricians.

Brothers & Sisters your safety is paramount on the jobsite. Always be mindful and alert of your working environment. Never become complacent with workplace safety.

Please keep our brothers and their families in your thoughts and prayers, with hopes for their speedy recovery.

Fraternally,

Alan Marzullo

Scholarship Program

The IBEW Local 43 Scholarship Fund was established to assist in meeting the costs of college. It is intended for eligible members, their spouses and/or dependent children (as defined by the IRS for federal income tax purposes) who will be pursuing full-time study at an accredited two or four-year college or university.

An application request is the first step in the process. Application Request Cards for the 2020-2021 academic year were mailed on or about January 3, 2020 to all eligible members at the member’s address on file with IBEW Local 43. In this case, an eligible member is defined as an “A” member with five (5) or more years of continuous good standing with IBEW Local 43 immediately prior to May of the same year. Eligible members who do not receive an application request card by January 20, 2020, should contact the Union office at 315-422-0435.

Anyone wishing to be considered eligible for an award for the next academic year (including renewals) MUST submit a completed Application Request Card to the Scholarship office postmarked prior to March 1, 2020. No applications will be released without the timely submission of an Application Request Card supplied by the IBEW Local 43 Scholarship office. Please be diligent. Requests received with a post-mark on or after the deadline date of March 1st will not be honored. Note: Families with multiple eligible students wishing to apply may submit up to three (3) names on one (1) card.

More information, such as a summary of the application process, timeline, and official rules, can be found at www.ibew43.org/scholarship
